The Premises:

Parlour above shops on high street. Quite open entrance but a rear door provides a more discreet exit, choice of three rooms, all reasonably clean and a communal shower area, again okay. I chose the VIP room at ?20, which had some basic dom equipment and ladies clothes for cross dressing purposes. Used to be called Silks I believe

The Lady:

Very nice, slim mid 30's dressed in nice lingerie and heeled sandals and of course stockings and really friendly. Did some kissing but it is not something she seemed to like doing too much of.

Will see her again sometime soon.

The Story:

Asked to wear some womens under wear, and heels. Which jade helped me choose and put on (I was abit larger than the clothes !!). Had a bit of fun in the room, made to knell on bed while Jade spanked me with her hand, and then made to walk around the room in heels showing myself off to her.

Then onto the bed and blindfolded as jade got me hard ready for sex. Good sex with a lovely lady .

Only second time to this establishment and really please I have found it,
