The Premises:

Tidy, clean, made up for this sort of malarky. The room was not well ventilated and quite hot in October.

The Lady:

Very attractive, very pretty, updated photos, used to work as Dani

The Story:

I was attracted to her looks, but service? There was none. She is a young lady engrossed with her self and kept asking ME questions about what other agencies I use and what other girls I have seen. She couldn't be kissed, wouldn't give head (with or without) etc etc etc. She wanted to give a hand job. At this price and for the trouble of getting there.... Pleasant girl but sorry she won;t last in this biz with attitude like this. Most of the girls work several agencies and this girl is now down to a about three I think, says it all. She needs to improve attitude if she wishes to do this for this amount.
