The Lady:

Louisa is a lovely red haired lady, with a great bust and large suckable nipples. She was dressed in 50's style skirt and blouse with seamed stockings and high heels and of course with suspender belt with 6 suspenders wow.

The Story:

My first visit to the lovely lady but not the last, on my arrival louisa opened the door and what a wonderful sight and great smile, I was offered shower and whilst I showered, louisa made a coffee and we chatted once I was out of the shower and then up to her boudoir, we undressed each other and cuddled on the bed, I never go into the intimate details as this is for louisa and myself, but I will say that she is so warm and loves to kiss and no rush and I can't recall seeing a clock in the room. I will be seeing her again very soon.
