The Story:

Brooklyn?s keeps churning out some of the most attractive and friendliest girls around.I have come in contact with some amazing girls,I was not disappointed with Nicole, so beautiful she could grace any front page penthouse magazine, with those amazing green eyes. I was in the land of lust looking down into her eyes, her skills are truly magical, and it would certainly be a shame if her beauty and skills where limited to just one man. She is a true pleasure giver I for one will be going back to see Nicole for more and more, I hope I don?t get barred!
