### The Lady:

vanessa is a slim model like beauty about 5,8 with lovely shoulder length hair,nice blue eyes and really nice looking.Her tits are lovely and pert...great nipples, definately as the look of a catwalk model.

### The Story:

As soon as Vanessa opened the door i knew i was in for a good time.She looked stunning in some rather nice lingerie, which showed off her model like figure and looks to the max.Really made me feel at ease with her friendly personality, which also came across when i rang her to make the booking.....To start with she gave me a massage which was nice then rolled me over onto my back kissing me whilst stroking my now hard cock...she then gave me covered oral which felt just as good as without,followed by some reverse oral ....which really got us in the mood...her pussys a dream.Vanessa then climbed ontop as i had asked, taking control whilst kissing me at the same time and me sucking on her delicious nipples..we then went onto doggy,her pussy feeling so good and me finally me ontop until i couldnt hold out anymore....again she made time to chat as i cleaned up which is always nice .....really enjoyable hour ..this girls sexy as hell.....i will be back vanessa.x
