### The Premises:

She is currently working in a house in Borehamwood, which is undergoing decoration. The floors were bare but the room had a double bed, flat screen TV and sky for music etc; and was perfect the job. The bathroom was also unfinished but usable.

### The Lady:

Lorrissa appears tall a mixture of her slender build despite her claim of being petite. She is a size 8-10 with a small but kissable 32B bust. Teh sort of bust that does not need a bra. She is cute, and has lovely eyes and a sweet smile

### The Story:

Lorrissa is a lovely girl whom I have seen on several occasions now. Each time has been better than the previous session and when she feels relaxed in your presence offers a great service.

I am not gong to go into too much detail but each time I have seen her with a dress request she has accepted the challenge warmly, even the time i asked her to greet me in a one piece swim suit. She looked lovely in it as well :) Her oral skills are also very enjoyable, and is also rather responsive to my touches, caresses and oral skills

She is hoping to move into a new place soon where she will be able to take in-calls in her place around Barnet.
