The Story:

I asked her to dress in some nice sexy outfit and she opened the door wearing what i asked her to wear. Once the money was handed over she offered me some fresh towel to take a shower and re-entered the room a few minutes later. I don't really want to go into all the details of what took place but she does offer genuine GFE, she's not a clock watcher as we did run over the hour mark and she does enjoy what she does. she does offer some extra services but i was not after this. Guys this girl is good please treat her well.
