The Story:

What can I say about Sally. From the very first time I met her she has been one of the best women I have met in Leicester. I have been visiting for over 10 years to various different places and I have never been smitten by this georgeous women as I have by anyone else.

She has the desire to please and u tell you that her orgasms blow your mind. She is not a one timer and if you hit the right notes then expect a massive gush- wow. She can orgasam after orgasam and it could make you explode in no time. Trust me guys I never go any where else.

I have asked the boss if she would ask Sally to work a few more days because she only does Thursdays 11-6 and could be tight meeting her some weeks.

The best Sally!!!
