The Story:

Just by chance while reading a forum entry, I found out that Jasmine was in town. Found out at 11:58, by midnight I had booked her. Jasmine had been on my wish list for yonks. I had tried to follow her, but although she visited places like Dubai via UK sugarbabes, there was no sign of her visiting these shores. I was a bit nervous at the thought of finally meeting one of my top 3 fantasies in the flesh, but I needn't have worried. She was warm and welcoming and not aloof. She speaks very good english, so the communication was good. If anything she looked even more beautiful and desirable in the flesh and boy did I enjoy the flesh...hee breasts are huge, soft all engulfing! Her whole body is a delight to be discovered. Top kissing, she does everything in the book to help you to get your kicks. She really has a great attitude. In her films she does anal like a trouper, but she is not currently providing this service as she needs to recover in that place...However it was not missed, her pussy was a delight, breast fucking top notch...a great time and not one bit disapointing in meeting the real thing. She is here for another few days. Until the 5th of November I think. BUT...there's news. She will be returning to these shores to live in January.
Me? I will see her again before she leaves, and then start saving for her return!
