The Premises:

Clean spacious ground floor bedroom furnished with a large bed and conveniently placed floor standing mirror. Some cooling provided by a powerful fan which was much needed on this sweltering day.

Plenty of parking available nearby.

The Lady:

Highly attractive brunette in her mid 20s, about 5'7" in height. She wore skimpy lingerie which showed off her well toned figure.

The Story:

As I entered the apartment I caught a glimpse of a gorgeous brunette in the corridor and was very pleased when she strode into my bedroom a few minutes later and introduced herself as being Izabel.

We started off with some FK and got onto the bed where she treated me to OWO finishing with me cumming on her pert boobs.

Unfortunately some cum landed on her lovely long hair and she had to pop off to the bathroom to clean it off. When she returned I apologised again but she laughed it off as we lay on the bed chatting away and I got to admire her fantastic figure whilst recovering my vigour.

I went down on her for RO which she responded to quite enthusiastically clenching my head between her toned thighs.

We then shagged in a variety of positions which allowed Izabel to demonstrate her athleticism.

She finished off the hour with some HR for another satisfying climax.

A good punt with a highly desirable lady but slightly lacking the passion I was expecting after reading her previous glowing reports. Perhaps she was just a bit jaded by the stifling heat down in

MKE? flat that afternoon so I may well pay her another visit at some point.
