Pictures on her website are amazing but do not do her justice. Gorgeous, fit as a fiddle and with the most fantastic boobs and cute little bum.

The Story:

This was my first ever visit and Amy put me at ease straight away. All my nerves disappeared as soon as she opened the door.

We sat for a while and got to know each other, she is well travelled and intelligent, so conversation was easy and comfortable. She got me nice and relaxed until we started with loads of lovely kissing and cuddling. Then we lay on the bed where I was treated to a lovely breast relief. Then during more kissing on with a cover and she took charge, beautiful covered oral and then the main act (in all manner of fantastic shapes - did I mention she was fit and flexible?) I thoroughly enjoyed every minute.

Loads of cuddles and chat afterwards and not rushed at all.

Can't wait till she's here again.
