The Lady:

Pretty lady in about late 30's. Not very slim, not fat though. Photos on the site are of her but in reality she seems older and a bit less fit. Still pretty though, she was surely beautiful when she was younger.

The Story:

I was looking for some tie and tease, and she does it well. About 8 or 9 out of 10 I'd say, so it's very good even though I know one place where it's done better.

Cherry is very gentle and she obviously provides great GFE. Great personality also. So, recommended for people looking for this.
