### The Premises:

Well known ground floor premises in central MK with car good parking

### The Lady:

Very pretty, slim and with superb natural boobs. Dressed in black lacy top hold-up stockings, sheer black knickers, black corset and her perfume smelt delicious!

### The Story:

I had booked for 90 minutes, but after about 5 minutes of DFK and Pixie writhing all over me, not having a time limit today, I knew I was in for a full-on treat today so I extended the booking to 2 hours. And a full-on rampant session is what a got!

We started with some very sensuous standing DFK before Pixie invited me to get onto the bed and lay down, which I did being promptly followed by Pixie where she proceeded to slowly move her body all over me before taking me into her mouth for a superb oral treat with much sucking, licking and great eye contact. Pixie then moved up for some DFK followed by me moving her into my favourite face sitting position, which we both really did enjoy. With one of Pixie's hand fondling my balls and my stroking cock and my hands fondling her wonderful natural boobs and my tongue exploring her tasty pussy, sending her into orgasmic ecstasy more than once was as experience worth the fee alone!

From here on we moved from position to position, with plenty of all action mutual oral with Pixie cumming several times, 69, licking her pussy while kneeling on the floor with her legs over my shoulders, more face sitting, 69 with me on top. In between these wonderful horny oral explorations of Pixie, she did the same on me in various positions, including me straddling her chest, on the bed with Pixie kneeling in front of me with me trusting into her mouth which transitioned into Pixie laying on her front giving me oral while I knelt along her sexy body and fingered her nice moist pussy. In between all of this we had much DFK and an amazingly horny session of various cowgirl positions followed by doggy. Pixie in these cowgirl positions with her great boobs is a sight to behold and she took me close to the edge several times.

Eventually after more than 90 minutes non-stop rampant and horny action I couldn't hold on any longer. I had intended to straddle Pixie's chest and cum in her mouth, but with me on my back and the sight of Pixie kneeling alongside me taking her time to expertly lick and suck me, I wasn't going to move from this position and I didn't and I eventually exploded into her mouth. Did Pixie stop, no she kept on, milking every last drop out of me. Wow I've had some explosive orgasms during my punting but today with Pixie was totally shattering. What came next, a cum swap, not just straight into my mouth but accompanied with a long full tongue cum swirling DFK session! So horny and so dirty!

A mutual shower and a quick chat before it was time to go ? the 2 hours went so quickly.

Pixie, Pixie, enthusiastic, friendly, cute, sexy and very eager to please. What a girl!

I will be back for more of Pixie, that's for certain!
