The Premises:

Acceptable hotel though a bit scary walking in past reception

The Lady:

Not unattractive but a smile or two would have helped. Bills herself as Busty-Suzie which is fair enough though nothing exceptional.

The Story:

My second ever worst punt. Totally passive and unresponsive. Though I have never tried it I imagine an inflatable doll would have given as much pleasure. I had paid ?80 for an hour - special offer - but left after 30 minutes.
