The Premises:

It was a council flat about 10mins walk from Southfields tube on the district line. A bit grotty from the outside but clean & pleasant inside. I felt safe.

The Lady:

Mature and very pretty Hungarian lady, probably in her late forties but does not look it. Blond, about 5'5 with voluptuous figure but definitely not fat.

The Story:

I saw her pictures on another site and as she looked like a gorgeous milf I decided to give her a go.

In recent months I have had a lot of bad luck with new ladies and had been keeping to the tried and true ones but I recently had a windfall & decided I could afford to be a bit more adventurous. I certainly did not regret it.

She greeted me at the door with a big smile and was very warm and friendly. We were immediately into DFK and she is a sublime kisser. Nice massage, plenty of snogging, reverse oral and cim all included in the price. Brilliant!

There was a slightly odd moment when she excused herself and returned with a clock which she hung on the wall. I was a little concerned that this was some sort of hint but I need not have worried and I did not feel rushed at any time. We even had some nice cuddling and chat afterwards.

I had a great time with a very sexy, warm & friendly lady but hurry if you want to see her because she is going on holiday for four months on 8th November. She promised me she will be returning. I can't wait!
