The Premises:

Been here on many occasions. A very pleasant establishment.

The Lady:

A very pretty 22 year old blond with a fantastic figure and 32C natural boobs which are amazing. Jo Jo also has the most incredible deep blue eyes (almost cobalt blue). Jo is also a very softly spoken and articulate woman and very easy to talk to.

The Story:

A very sensual GF experience. A lot of gentle caressing and stroking with passionate kissing while she ran her fingers through my hair. I licked and sucked her very responsive nipples. Most of the sex was superb oral with lots of ball licking and saliva. I went down on her (I always enjoy that) and she seemed to enjoy it too. I eventually came over my own stomach and she very kindly cleaned up afterwards which I felt was a nice touch. It was an outstanding hour and I can't understand why Jo doesn't have stacks of reports, she so very good.
