The Premises:

Masses of Cheap parking adjacent (30p an hour)

Buzzer to first floor. Reasonably discreet entrance not many people around, but was in a safe feeling environment.

Clean room good size bedroom with a few mirrors in corners. Bedroom was near to the entrance so did not get sight of any other girls who might have been working ..

The Lady:

Stunning - great figure and not an ounce of surplus fat on her whole body -I checked! Tall leggy & busty yet a slender brunette. No more than 24 yrs could have been less. Expressive and pleasing face.

The Story:

Holly was very accommodating. Listened to what I wanted and went along with it with much skill and passion. To have a young lady of this attractiveness writhing underneath you was a true delight.
