The Premises:

Off a main road. Once in the door a maze of stairs and bedsits. When you get to the room lovely and warm and lots of candle scenting the room. Felt safe

The Lady:

A petite mature spanish lady had to be about 5ft 3 in heels. Large breasts and a slim body

The Story:

It was a sensual massage with covered oral and a HJ to finish. It was exquisite and could not wait to turn over after feeling her B2B massage and those breasts rubbing up and down my back. The same thing was in store for me when i turned over. She allows touching all over except her pussy. She has hairy pits and pussy and i just love that. Just before i came managed to get my fingers to her pussylips and she was wet and she smelt divine. Asked her if she allowed me to give her oral, she said no
