The Premises:

This address is in a cramped, basement flat about a 5 minute walk from Woolwich Dockyard rail station. It is just round the corner from a Chinese restaurant.

The Lady:

Roxy is a petite, teenage to early 20's girl from Brazil. She has a great little figure, pert B cup breasts and a really tight, shapely bum.

The Story:

This was a very unusual punt. First because I thought Roxy was based in Central London, but she apparently works at a few different addresses. Secondly, when I arrived at the punt another girl was waiting in the room. At first I thought she was there as a second choice, but she was there to translate, although there was an Italian girl upstairs. The language barrier was a real pain because on two occasions Roxy left the room to ask what it was I wanted! Anyway, I received uncovered oral which wasn't that good because she was worried about me coming in her mouth. We then switched to protected sex with her on top which was difficult because she was quite tight. I could see that I was maybe a bit too big for her so following yet another translation I came over her tight, little bum.

I'll recommend her for her body, but beware of the language problem.
