The Premises:

First time at this place. Fairly quiet street close to city centre. Up stairs and pay your room money before entering (?40 for 1 hour). Was shown to a clean room with Jacuzzi. Dimmed lights and piped music. Sat about 5 minutes waiting for Natasha, who brought my drink with her.

The Lady:

Quite tall for a Thai lady (probably 5'7"). Fairly 'full' figure with large (enhanced) breasts and ample bottom with many stretch marks. Probably around size 10/12. Aged around 30 I guess. Not a stunner, but not bad either. Nice smile and very chatty with decent English.

The Story:

Was in Leicester on business and wanted to see 'Joanna' who has had great reports. Unfortunately she was not available so I was offered Natasha.

Started face down with massage. Not very energetic, but adequate. Lots of typical Thai 'bar girl' chat. I got the impression she has been in the industry a long time, in Thailand then in UK. After about 15 minutes turned over and was asked if I wanted extras. Standard prices are ?40 HJ to ?80 FS. Chose FS, so that was ?120 total including door fee.

Service was average. Not very energetic, she basically let me get on with it without much enthusiasm or interaction. Got the feeling she was jaded/tired. Looked at the clock on bedside table quite often.

Given a Jacuzzi for the last 15 minutes and then dried me off. Got me out of the room bang on time.

I felt overall that the experience was very average and the price on the high side (20 minutes was spent either waiting or in the bath). On that basis I cannot recommend. I might give this place another chance, perhaps with 'Joanna' who is hopefully newer to the industry and a bit less jaded.
