The Premises:

Place was clean well set out and easy to find in centre of town. Although in town location is pretty discreet

The Lady:

Accurately described on the web and phone, Sara is a 12/14 late 30's with very large breasts

The Story:

Arrived and chose sara. She directed me to the bed and said do you want a massage like it was a chore. I had the most awful massage and was then turned on my front.

She made me hard and put the condom on which was followed by a very very poor blow job. Sex was very standard I just wanted to cum to get out of there.

No conversation what so ever and it was clear she didn't want to be there. Her hygiene has a lot to be answered for as when close there was a strong smell of bo.
