The Premises:

My hotel - one of the 5 star ones on Heathrow Airport, so very nice.

The Lady:

She advertises as Sexy Adriana xxx. She is fabulous, slim, average height, shoulder length dark blonde hair, fantastic figure, C cup breasts. Gorgeous really.

The Story:

Had some great communication with Adriana prior to meeting her. She was a bit late due to horrendous traffic but that was no problem as we kept in touch. She was dressed in some nice 'day clothes' - tight fitting black trousers, nice top, high heels. I found her very attractive and engaging. We had a chat about all sorts of stuff prior to eh 'action' beginning.

She went into the bathroom to change and encouraged me to strip while she did so. She emerged from the bathroom in lovely panties and bra. Adriana is nicely tanned and we started with some light kissing and touching. Her breasts are very sensitive - her nipples were hard through her bra, which soon came off as did her panties - this soon moved into some really great OWO on the bed. I then moved to a chair so she could kneel between my legs and continue the OWO. We then switched and I had her legs spread over each arm licking out her shaven and very wet pussy. She seemed to really like this and pushed her pussy and arse over my tongue. We moved back to the bed, continued licking and sucking before she reached over to get a condom. As she did she had her arse in the air and I couldn't resist licking her from behind. Eventually the condom went on and we screwed doggy fashion (her favourite) before moving to mish and then her on top.

I came over her breasts in a standing position. This was a very raunchy, non-stop session with a really gorgeous young lady; highly recommended and I will definitely meet Adriana again.
