The Story:

I made an appointment for 2.00, arrived on time, was expecting a stunning Brazilian Lady. what a let down, Abby looked ok but nothing like her Website details, decided to go ahead as I felt as horny as fuck.

Everything was wrong, started off as a get to know you massage, she said it was a bonding thing, I paid ?80.00 for a half hours of fucking etc. so I had to begin with a massage I did not want, any way got down to the nitty gritty, I was only allowed to suck her nipples, noe allowed to fondle them. not allowed to finger her pussy. only lick it, oral was with a condom which I hate.

I ended up fucking her with a condom on, I did spunk my load, only because I was horny, a wank would have been cheaper.

So, Punternet enthusiats, if you are in Bosombe and you see Abby's website, walk away, a total waste of time and money.

Not a happy Punter
