The Premises:

I have seen chloe a few times over the last year but this is the first time since she has moved to her new apartment, she gave me directions to her new place which is in Leeds city centre, the parking is good and safe.

The Lady:

chloe has a great personality, very bubbly, and charming, with the blonde hair,her pictures do not do her justice, she is far better in the flesh.

The Story:

Chloe greeted me at the door dressed a basque stockings and killer heels, her body is to die for, with stunning legs, and big breasts.

Chloe took me thru to the bedroom, once in there, her hands were all over me, my cock was rock hard, and we started kissing, which she is great at, she is so hot and sexy, i was soon undressed and she started giving me a blow job which was fantastic, and her tongue was magical round my balls, and boy did she make me cum !!!! this is one horny lady.

It was my turn to lick her pussy which was trimmed and tasted divine, and boy does she like her pussy been licked with minutes she was squirting all over my face, and does she squirt !!! it was more kissing which was very passionate, and then i entered her with her stocking clad legs wrapped around me which felt fantastic, and she pulled me deep inside her, and she just kept cuming and cuming for ages, and kept the pleasure going and going, Chloe gives her all and i will return very soon,
