### The Lady:

Lilly is a pretty 24 year-old Thai girl with long black hair and pretty face. She has a lovely figure with natural well-formed tits and large pointy nipples. She is fully shaven apart from a clipped triangular area above the cockpit. Her English is perfect.

### The Story:

I now have the set - Malee, Patty and now Lilly. Despite Lilly not offering DFK and OWO (like the other two do) it was still an enjoyable punt. Started with an oily back massage with body to body and then turned over for her to work my dick with her tits and hands. She asked if I wanted to cum on her body or in a condom. I elected for the latter and she gave me some nice covered oral before finishing in mish. After a quick clean up she asked if I wanted more massage and for the next 10 minutes she worked on my shoulders, back and legs with what felt like trained hands. Time was up so she took me to the bathroom to wash the oil from me as we both stood naked in the shower. Clean towel and end to a satisfying visit.
