The Lady:

Prettier than in website pictures (really!). Shorter hair now than in the pictures. Astonishing body, great breasts and an ass to die for. Julia is a true beauty in every way!

The Story:

Being nervous as hell because this being a first encounter with an escort, Julia quickly made me feel at ease with her awesome personality. She's a smart and fun girl and so lovely to be with. We enjoyed some wine and then got on to the naughty stuff. Julia is a master in BJs, and after some various oral activity from both we got on to trying all sorts of positions, finishing with a CIM. I'm a one shot soldier, but Julia had me going again after some massage. Sadly time ran out for the second one. Had a GREAT time with Julia! If you want to meet her you'd better hurry, she's soon retiring!
