The Premises:

Leyla's new place just off the Weedon Road. Quiet street, watch the residents only parking though...there are free spaces nearby on adjacent streets. Shower before you get here.

The Lady:

Danni is early 20's quite tall and very slender with long dark hair and a charming smile. Not one for the tit lovers amongst you but I imagine she could do an great school girl if asked!

The Story:

This was her first day here and I picked her rather than my long time regular punt Leyla. She is quite quiet but confidence will change that, gives a superb OWO and, for a tip, gave me a first class rimming. Make sure you are very clean boys because that is well worth the punt alone! Finished with a CIM because I was enjoying it so much.
