The Premises:

Fantastic new flat in the heart of Bristol's revamped harbourside. Very quiet very safe with loads of parking just a couple of hundred yards away.

The Lady:

Stunning tall busty brunette with fully shaven pussy and all the right curves in all the right places. Great smile, a lovely well spoken English lady in her mid 20's

The Story:

WOW this girl is dynamite and so better looking than her sexy pics!! Tori is like natural viagra - hard not to be hard with her if you get my drift. Fantastic oral both ways...owo from her to me very vigorously and enthusiastically given. Loved receiving a good tonguing of her pussy that soon had her squirming with delight and she tasted amazing. Fucked her in doggy then mish then back to doggy and came three times in the hour. Wishing I'd had longer but did not want to go overboard on first visit to this new establishment which is a very welcome addition to my home town scene. I intend to be a regular visitor and check out the other delights on offer.
