The Story:

Really good punt this one. Have been meaning to see Melanie for a while so I'm now glad that I have.

Session started with a basic massage and a chat, which was nice enough but I could have taken or left it. The next part was SO much better. Really nice sensual kissing and stroking followed by owo, and she excels at this! Then gave her some reverse o and she tasted great - I could have been down there for hours and I think she really enjoyed it too (brilliant actress if she didn't!). Finished with sex in missionary and had a great climax. Nice chat while getting cleaned up.

This was a great punt and I get the feeling that if you click with Melanie you will get a really good service and I imagine that repeat visits will get better and better, so I'm going to find out!

Thanks Melanie - see you again soon.
