The Story:

I found Isabella through her personal website. Having initially exchanged emails I called her to arrange a session. This was my first visit, so I was a little nervous and not sure what to expect but I was not disappointed however I found her very friendly as she quickly put me at my ease. I explained to her what I was looking at trying, Domination, Cross-Dressing, Spanking, Tie and Tease, and Strapon.

I arrived at her house early but this was not a problem, she offered me a drink then, as I was unable to provide any myself, some clothes to wear, short skirt, lacy thong and some stockings. She left the room and returned dressed as a nurse who was going to deal with my problem of wearing womens clothes. I was then told to bend over whilst she spanked my bottom for my bad habit along with getting her name wrong. Her orders were given in a quiet but effective tone that anyone would comply with.

Strapon followed, she used a small dildo, as I was new at this. I was told sit on the bed on all fours, my knickers were removed, and she put some cold cream on me before she gave me a seeing to.

Before and after the strapon I was tied to the bed whilst Isabella teased me; initially she used her feather duster and hands to caress my cock and balls; it was extremely arousing. Latterly she gently run her fingers up my erect cock. She knew I was looking at her lovely breasts and bum; teasing me, as she knew I could look but not touch. She gave me a flash of her firm breasts before continuing to gently stroke my firm cock.

The excitement of the moment was getting the better of me and I subsequently without her permission I came with a fountain of cum.

I finished with a shower, then dressed; we went downstairs where I had a cup of tea and a long chat with Isabella.

Thank you Mistress Isabella for a great session I certainly plan to visit again.
