The Premises:

Clean, tidy and nice flat close to the Landmark Hotel off the Marylebone Road.

The Lady:

Slim and petite Thai girl with a near perfect body. Tiny with huge enhanced boobs which look and feel amazing. She welcomed me wearing a tight little black dress which looked great!

The Story:

Helena is definitely more GFE than PSE and I had a great time with her! Started off with a shared bath and a nice soapy body to body massage and tit fuck. Then moved to the bedroom where I had a top quality blowjob and then explored her nice tight and wet pussy with my tounge before enjoying sex in multiple positions. Helena seems smart, intelligent, has a good sense of humour and on top of all that is one of the sexiest girls I have ever met!
