The Lady:

Absolutely stunning. Its states on Brooklyns website that Foxy is in her early 40s. What???? I would have said at least 10 years younger. I had real difficulty taking my eyes away from her mesmerizingly beautiful face. Fox also has a wonderfully vibrant and friendly personality and is well spoken and intelligent.

The Story:

Lots of gentle soft kissing (no tongues, no problem) excellent gentle OWO (?10 extra) spent some time going down on her and if Foxy didn't come then she really should be nominated for a BAFTA (so sorry for the sandpaper chin Foxy). Finally came by hand and it was a really intense orgasm. Thankyou so very much Foxy.

Would I recommend this lady and visit her again?? I think I'm in love and would like to take her home actually :)
