The Story:

Sandy was listed as a new girl on the web site, had a choice of her or I think Tara, another new girl. All I can say is I wish I'd have chosen differently. Sandy was friendly but superficial, I felt like I was watching some parody of a porno movie. I opted, asked for the half hour GFE and after reading many great reports was expecting kissing, OWO, reverse O and general intimate touching....

All the time Sandy rushed, didn't listen to what I wanted, kept all her "parts" out of reach. The OWO was about 10 seconds which got me half erect then on with a condom only just got it on, she jumped on top reverse cowgirl and managed to stuff my half limp dick in her.....by this point (5 mins in) I recognised it for the farce it was with all the loud fake moaning, I asked her to get off and go missionary, managed to get hard and inside her, she moved my hands off her tits so I just let it go and got the hell out of there.

I actually went round the corner to Fantasia 15 mins later paid ?25 and had a much better experience.

All I can say is that Sandy let GFE down big time and should be avoided at all cost.

Having said that I've nothing against the establishment and will return....
