### The Premises:

Debbie's establishment is most agreeable in terms of both accommodation and hospitality. In the Anerly Hill area, there are entrances at both front and rear.

### The Lady:

Tall slender and shapely bottle blonde in her twenties. A very pretty girl with shapely friendly knockers which I like a lot.

### The Story:

I went for my benchmark house special. As Lucy is new, Debbie came into the shower room to tutor her in the quirks of the shower. Applying as she did so some casual stimulation of the old chap. An unexpected and agreeable precursor. Thank you Debbie :)

Lucy indulged me in the shower with plenty of kissing, slipping and sliding, and on our return to the room gave me a lovely cuddle. I explored her delightful gentle curves before she applied her most agreeable oral skills. She climbed aboard, then I slipped behind and concluded in missionary. A very nice encounter with a very attractive girl. Thank you Lucy.

I have to say I've been rather spoiled by the talent at Debbie's. One must remember how experiences can differ elsewhere and remain appreciative of first rate service.
