Indian lady, 5'2. Long dark hair, very petite and thin. Very pretty.

The Story:

First class Indian GFE. Shany arrived on time and immediately put me at ease with some kissing and caressing. She is very beautiful with soft skin and was eager to please. We did some owo and ro/69 then she got on top and reverse cowgirdled. She gave me a massage while we recovered before we had sex again in lots of different positions and she can really move! An amazing experience, highly recommend.
