The Story:

She was very keen from the start, kissing me to get me undressed. I decided not go for the FK & OWO extras. She went into a bit of kissing and body to body massage, very erotic. On with the condom for some great, well paced oral. I got to stand up with her on her knees, one of my favorites. Then got her on her back, managed to slow the pace a little, but wasn't long before I had to pound her lovely pussy. I cam a bucketload and she seemed to like it.
