The Premises:

Great place, clean and safe, not my first visit and it won't be the last!

The Lady:

Very good looking girls, pictures don't give her justice, great body and great attitude.

The Story:

It was clear from the very first moments that she wanted to please, in fact, she provided a great service, the blow job was very good and so it was the sex. It's been a quick but intense session, very good indeed.
