### The Premises:

Nice ground-floor incall apartment near the station, plenty of 30p parking, no-one ever bothers you here, very anonymous and unoverlooked.

### The Lady:

Karina is a striking lady from Sao Paulo who is possibly now in her 30s, tall, slim, athletic and tanned with a very sexy shape. She has enhanced globes and a very faint caesarean scar. Amazing pussy with very prominent clit and full labia. The sort of girl your eyes would be transfixed by if you saw her slinking along a warm beach in one of those revealing brazilian swimsuits.

### The Story:

This is one sexy lady who knows how to kiss. Lips, tongues and roaming hands soon got me excited, she then laid me down and paid me some expert OWO attention, very enjoyable. More passionate DFK then I wanted to explore her amazing body, I worked my way down to her superb pussy, she let on that she likes her oral hard, so I was soon sucking hungrily on her engorged button and a mouthful of surrounding labia as she thrashed around and moaned, very responsive. She got me hard again with her mouth, rubbered me up and I entered her with her legs over my shoulders, we were soon going at it hard, snogging as we bucked, she reached down and frigged her clit as I varied my thrusts. During a bout of hard and deep, she climaxed and let out some portuguese expletives, we snogged some more as she recovered. She then cimbed on top for some of the nicest cowgirl I've enjoyed, all that samba dancing has its benefits! We continued with more OWO in front of the mirror, I was offered a CIM finish but sadly I disappointed a very attentive and patient Karina, it was great fun trying though!

Energetic, experienced & responsive service, surely one of the best in MK!
