The Lady:

Autumn has the long auburn/chestnut hair in keeping with her name (and, incidentally, no glasses today). In her mid-twenties, about 5'7", with a soft creamy skin, great legs and a fuller figure than the website suggests ? her natural tits at least DD and hips well, just voluptuous. Very laid back and lively to talk to. Plenty of services on offer, ask for what you fancy. Another of Debbie?s great selection of girls and one who really shows that she enjoys her work.

The Story:

Was greeted by Autumn fully naked (she does have some sexy underwear as well!) as I had asked for the House Special. Lots of smiling, good eye contact, impressive DFK and mutual fondling which continued in the shower. Back on the bed, more vigorous DFK and more exploring of her beautiful body and soft silky skin ? I was just loving the full, firm DD?s, then Autumn took over for some tantalising ball licking and OWO, me next eating her juicy pussy before moving on to 69 and cowgirl. Finished with a long, comfortable cuddle, with me browsing on the full DD's again between bouts of DFK and interesting conversation - a very relaxing, ?no rush? end to a great GFE.
