The Premises:

I find her place amazing based in a very nice area, I felt safe. The best word to describe her place is that it is a high class private area, literally 2 minutes from the tube station.

The Lady:

Gorgeous blonde hair, wearing a tight short black dress. Amazing looks, just like a top model! Once she undressed she looked even more beautiful with the smallest G-string I have seen. How about her shoes? What killer high heels! I love high heels especially on a slim well toned body!!

The Story:

Angel opened the door and showed me to the room, where she politely offered me a drink. I could not take my eyes off her legs, which were long and slender. She pulled me towards the bed and started to take my shirt off, kissing and licking me, working her way down. She proceeded to take my trousers and boxers off, and began to lick and suck my balls and cock. Her tongue can do wonders!! I moaned and groaned, which got her even more excited. I suggested 69 and she obeyed. When I started licking she was so wet! After this she asked which position I liked best, I said her on top. She climbed on top and started riding me while I licked her nipples. We then switched to doggie. My fantastic night ended with me blowing all over her big tits!! I highly recommend her, but will not return as I try to see girls just one time!
