The Premises:

A well reported establishment, with secure entry arrangements. Highly likely one of the better establishments in the Sheffield area.

The Lady:

Isabelle is a youthful lady, with lovely long hair and a firm 34E bust, all natural, and a tight figure to boot. Belly-button piercings are not to my liking but the rest of the physical attributes more than made up for this slight blemish, on what is a remarkable girl.

The Story:

After a long weekend of work, I was passing through the Sheffield area and decided to pass by the infamous GFE abode. Three girls on show and Isabelle proved to be the most jovial at this time, prancing around with her spurious ballet talent. Having consumed a coffee, I took the lady upstairs, where I indulged on the higher-rate service, feeling somewhat jaded from my extensive expeditions. Isabelle showed to be a competent service-provider, but was somewhat perfunctory in all acts. This may be due to naivety on her side, or perhaps more just is to say, inexperienced, with the higher-rate services. For example, the massage was done across the upper back and only lasted a few moments and no attempt was made on the frontal side. Clearly, her OWO skills deserve the biggest acclamation and this proved to be the highlight of the proceedings. She informed me that doggy and DP was her pleasures, which I obliged accordingly. A general chat thereafter concluded matters and I departed without incident.

A desirable young lady, with excellent physical attributes, but should contemplate on taking more time and care with her services and I am sure that she will excel at this profession. Perhaps she needs guidance from an instigator, but I was too weary to take a dominating role, which may be the fault in my conduct.

A highly-recommended lady though and one that can only improve as time passes.
