The Lady:

Stunning - just look at her photos!! Biggest tits with smallest waist you have ever seen - all natural! Long legs, great hair, but the best was her friendly smile - she smiled all the way through, so I did too - a lovely, gentle, pleasant girl.

The Story:

Complete GFE, very smily, intelligent, good sense of humour, medium height, STUNNING body, with fantastic natural boobs! Started with great OWO, more gentle than I am used to, but the pressure really built up so I had to stop her before it went too far. Cowgirl, mish and finish in doggy. Great conversation before and after, she is a lovely girl, highly recommended!
