### The Premises:

Shared WG flat in a period house near Gloucester Road tube. The yummy mummy who arrived with her kids from school just as I was leaving, looked at me very suspiciously as I emerged still zipping up my flies. So I suspect this will not be a WG flat for much longer.

### The Lady:

Web site photos are reasonably accurate. Young quite pretty blonde girl, about 19/20 y.o. with an hourglass figure and roomy hips made for child bearing, which no doubt would have been her main occupation in her native Romania in years gone past.

### The Story:

Pleasant enough punt, though destined to rapidly disappear into the memory hole of dozens of other pleasant but unremarkable punts.
