### The Premises:

Clean flat on quiet side street near Harrods. Good shower facilities. Bedroom is cosy with a large mirrored cupboard. She also has excellent taste in music and I appreciate her playlist during the session.

### The Lady:

Stunning, tall, leggy blonde. Seen her several times and she always dresses immaculately to please.

### The Story:

I have seen Julia several times. I love her to dress up and she always obliges as she knows what I like. On this occasion she wore a corset, fishnet stockings and really high stilettos. I was in heaven. Julia is quite adventurous but all I'm interested in some dressing up, sexy teasing and good old fashioned GFE. Julia is one of the most attractive girls I have ever met and to engage is slow sensual loving with her is truly hedonic. She has the most fabulously lithe body, like a glamour model, and I enjoy every inch of her as I pay attention to her needs.

DFK is great as I undress her before we move on to sex in various positions. Almost surreal.

A most wonderful girl. One the most gorgeous, sexiest girls I've had the pleasure to meet but also charming, caring and considerate. Always treat with respect and you'll be well looked after.
