### The Premises:

Location is easy to get to. it's right around the corner from the Harrow-on-the-Hill tube Station. Room has lots of mirrors and a video. Very Clean.

### The Lady:

5'8 Blonde with okay body and big tits 38D or so. Nice accent. I think she's from Scandanavia. Long dress conceals excess cellulite.

?60 for massage, sex, and oral, ?20 extra for french kissing, ?30 extra for anal.

### The Story:

This was one of the worst experiences i've ever has with a WG. I paid ?60 for full sex and ?20 for french kissing which was a rip-off. The french kissing lasted less than 20 seconds and was very little contact. Also, I didn't receive a massage as promised in the price.

I was put off by the whole experience mostly because Georgia did not seem accomodating and wanted me to finish quickly. She kept on mentioning the time when only 15 minutes or so had passed. Additionally, after she completed oral (covered), she spent a minute spitting into a napkin. To top it off, when we were about to do it mish, she committed a faux pas which put me off totally - she farted. Really. I'm not joking here. From that point on, it all went downhill because I could not keep it up. i tried to get her to finish me by hand but then she complained saying that I should pay for an hour if I wanted to continue. If I would have went to Soho, ?80 would of went a lot further.

I was surprised by this as I've visited Dawn here many times and she's definitely a perfect 10 and 100% amazing! I suppose you win some and lose some. Report 8812 is way-off or maybe that was when Georgia first started??
