The Story:

i cant belive there are no reports for this girl, she is the sexyist punt i have ever had.

walked in and waited for maria to enter and my god is she hot, delt with the paper work and straight in to some dfk as she striped me off. then straight to the morror where she kissed me all the way down to my manhood and started some of the best owo i have ever had. then on with the cover, she turned around and grinded her perfect behind up and down, turn to look me in the eye and told me to f**k her hard. finished with her riding me untill i exploded. still time left so had a awesome massage for the duration.

what a girl will defo be back to see her again.
