The Story:

Foxxxy is lovely company. Once comfortable with you, she clearly enjoys herself. The communication before the date was good, and she has an easy manner that means the time with her flows nicely from introductions to actions.

I had a shower when I got there, and then went into her boudoir to start fondling and kissing. She's nice and responsive and soon we were both naked. She gives great OWO and loves to recieve as well. During our time she got out a dildo and I watched and wanked as she pleased herself. Once the condom was on me we had sex in mish, and as we neared finishing she straightened and closed her legs around me and furiously brought herself off while I was inside her. I had just about come to the end of my endurance and she welcomed me finishing in and over her mouth - a real pornstar type finish. She giggled, got up, cleaned herself up, we chatted, I showered again, and left. This was a very good experience with a sexy and willing partner. Definitely recommended, she's one not to be missed.
