The Lady:

Izabel is a stunning and looked much different than I expected from her website photos. I found her to be extremely attractive and of perfect proportions. Not just a pretty face either, Izabel has a great personality and she made me feel as though I had known her for months from the second we met. About 5'5" [without heals], size 8, tanned, great body... a complete and perfect package of pleasure! My only regret was not visiting her sooner as she has been on the MKE schedule for almost a year now!

The Story:

Popped in on the off chance of seeing either Monica or Izabel. There were quite a few girls working today, so they were short on beds. I was told Izabel could be imported from their other apartment if I was happy to wait for 10 minutes - and I was :) It wasn't long before the small room became free so I was ushered from the toilet into it and offered a cold drink by the maid; I requested coffee but she was a little too busy to provide this, so I was happy to accept a fresh OJ instead.

Izabel soon arrived and entered! It was a joy to finally see her in the flesh; I knew from the off that I was in for a good time with this gorgeous Polish lady, and I really do mean GORGEOUS. She was radiant with a warm and friendly presence and this made it easy for us to 'click' instantly; though this could just be that Izabel is so good at her job that she has this effect on all her clients! But her mature yet fun personality certainly made me instantly feel comfortable, and very easy to converse with.

Izabel instantly swept me off my feet and, after trying to find the CD Players ?on? button, attacked me with a prolonged bout of DFK - she's a great tongue jouter with very soft lips- and this really set the tone from the off. I was so taken aback that I actually fumbled nervously while trying to undo her bra straps! Kissing her slim yet strong body southwards via her lovely breasts, I reached her sexy knickers before easing them down to reveal a most beautiful shaven pussy which demanded a tasting - she obliged willingly by spreading her legs and placing one foot on the nearby chair in an

inviting manor. I enjoyed this so very much, and I think she did too:) I came up for kiss and was quickly rewarded with some vigorous cock sucking which was equally satisfying - watching her in the wall mirror! 69 came to mind and was mumbled, with Izabel saying she thought I'd never ask :) A naughty bed session followed which went on for some time, but really not long enough as it really was so heavenly. Now I am usually quite happy to spend most of my session in 69, but with Izabel, I was really looking forward to some internal ops so I could rejoin her equally lovely upper lips; she soon asked me when I was going to, so I gladly allowed her to cover me up. Missionary felt very nice and Izabel seemed to be really enjoying herself, and it wasn't long before I felt like letting myself go and fill the condom whilst inside, but I was luckily halted by her request for some doggy. Izabel was quite vocal, and was nearing orgasm! Doggy was great with Izabel, and with her now firing on all cylinders, I simply could not hold back any longer and so withdrew and erupted over her lovely bum,,,,, oops a little too soon for her as she had not quite reached her peak ? sorry! She sexily told me off ;-) and proceeded to rub one out whilst I kissed, caressed and watched her. She came fairly soon afterwards and I thoroughly enjoyed her show ? thank you Izabel!

After a clean up we settled up as we didn't have the time earlier for some reason!?. Then the maid knocked and handed me a coffee which was very unexpected, but certainly appreciated! Whilst I drank it we enjoyed some pleasant chat, and I made a point of telling Izabel what I thought of her, and how much I had enjoyed myself. She obviously liked what I said, as she pounced on top of me, pinning my arms to the bed, giving me some serious DFK - interrupting my reluctant attempt at getting dressed, though she was clearly in no rush to evict me:) What a girl, I really didn't want to leave, but alas all good things must come to an end [usually when the meter runs out!]

After my wash, Izabel was fully dressed in a sexy black pair of jeans, and a white shirt beneath a black leather jacket? she looked superb and so sexy in her civvies! She shouted ? Come on John Travolta!? as she ?escorted? me to the exit? I wondered at first what she meant, then realised she was dressed just like Olivia NJ in Grease, or maybe she was referring to my white trainer socks! Whatever the reason she looked much hotter, and is definitely a whole lot hornier than ONJ; and I saw Grease at my local Odeon when it was first released!

Thank you for a super time today Izabel - It was a REAL PLEASURE [and your hair really looks great!] 12/10 XXX
And thanks to MKE for making me feel so welcome once again!

To summarize:

Will I see her again ? silly question!

Will I recommend her ? No, I want her all to myself!

Will I be her John Travolta ? Only if she can handle my socks!!
