The Premises:

Decent flat, at the back of some shops, but the entrance is up some very open stairs. The area seems pretty safe and the parking was no problem. Inside the flat is well kept and presented, with good shower facilities

The Lady:

Demi has a cracking figure, petite, with (enhanced) perfect breasts. She is very sexy

The Story:

Unfortunately I caught Demi on a day when she was, self confessedly, irritable and short tempered, which did take the shine off a very pleasurable 45 minutes. She has hardcore porn playing in her room, she is happy to play with herself. Oral is with albeit she applies the condom expertly with her mouth. We started proceedings with me massaging her on her front, she did have some knotted muscles in her shoulder, and I extracted some ripe language as I dug in, things moved to mutual masturbation, oral, face-sitting, and sex. She made me come wanking me as I lay on my back; she is not a big fan of sperm so it was a quick wipe up, shower and leave. She actually cheered up when I was waiting at the door to go.

I do still recommend Demi - she is very raunchy, but I'm not sure I'll go back.
