The Story:

This is my first trip to this establishment , and I must say , it's fantastic , I was a regular on the party scene and have made a few reports on different places , but I must say Pam's place is the best for atmosphere , fun , great girls attitude , and a relaxed enjoyable evening.

Let's start with the important facts ,

Cost ?70 , time spent on premises , 4 hours

Number of Girls , 5 , (2 black girls , 1 Polish (I think) , 1 English , 1 Japanesse)

Number of Guys , 11 in total , but not all present at the same time , max at any time was 9 .

There was also 1 swinger Lady there , who is a wonderful person and great fun , and really enjoys herself.

I arrived on the premises and was Greeted by hostess Pam , nice friendly woman , who took me through to the kitchen where I was given a drink and given a secure place to store my valuables , then as this was my first visit to the premises , was given a tour of the house by Pam , who introduced me to all the girls in every room,

I got changed out of my clothes and wrapped a towel around me , and went for a wonder around the place, watching the girls in action , as soon as I sat on a bed to watch a couple opposite me , there was an available woman , who came straight over to me and started chatting , leg rubbing ect , had a nice chat with her and a recieved some rather good oral .

throughout the evening , I was pleased and suprised to see all the girls actively seeking out guys , and made sure everyone was happy and satisfied , this experience has made me realise that I wish that I'd found this place a few years ago .

In the interests of total fairness and balance , I think I should also point out that this place is perhaps not as nicely decorated as other places I've been to , but it is fit for purpose and in no way Dirty , it is around 30 - 40 % cheaper than other places , there are plenty of fresh clean towels available ,

and a huge well stocked buffet and plenty of refreshements available , and also plenty of free condoms in every room (very important , and not every place does this) and most importantly , the girls attitude is fantastic .
